

HP ENVY Notebook 13-ab080no

All power. No limits.

With the incredible performance of the latest 13" (33.8 cm) diagonal ENVY laptop, you don't have to treat challenges as roadblocks. Exceed boundaries and take on whatever comes next with powerful features and stunning design engineered to help you succeed.

Powered for excellence

With a high-performance Intel® Core™ processor¹, up to 10 hours of battery life², and lightning-fast solid state storage, there's nothing you can't handle.

Thin without limitation

This remarkable laptop is ready for your attention. With an edge-to-edge glass display on select models, thin, all-metal body, and unique lift technology, it perfectly blends desirable features into a beautifully elevated design.

BANG & OLUFSEN

Raising the bar on entertainment

Experience a whole new world of entertainment. A gorgeous FHD or QHD+ (on select models) display³, expert audio tuning by Bang & Olufsen and booming HP Audio Boost revolutionize your content.

HP Lounge, get closer to the Artists you love

With unlimited access to music and exclusive content for HP customers, there's no need to search for it, as it comes to you.¹⁷

¹ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. ² Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapco.com/products/mobilemark-2014/> ³ Quad+ high-definition (QHD+) content is required to view full QHD+ images. ¹⁷ Unlimited access to Universal Music's portfolio for 12 months, free to HP customers. Internet access is required.

HP ENVY Notebook 13-ab080no

Featuring

Windows 10

Do great things confidently with the familiar feel of Windows—only better.⁴

7th generation Intel® Core™ processors

Powerful performance easily keeps up with all your multitasking demands, enables new ways to interact with your PC, and delivers enhanced 4K video capabilities.

IPS panel

No matter where you stand, this screen delivers clear, vivid images with 178° wide viewing angles, so everyone can get a great view.

Intel® HD Graphics

Impressive graphics help with everything you do. Whether it's watching a video or just surfing the web, Intel® HD Graphics render all the visuals on your screen with smooth, vivid quality.

⁴ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
