

# HP ENVY Notebook 15-as180no

## Your limits redefined

When each stage of success is earned with hard work and determination, you need a device that takes performance seriously. Meet the latest ENVY laptop, a PC engineered to help you conquer even the most ambitious challenges.

BANG & OLUFSEN

### Next level entertainment

Transformative entertainment starts with an immersive, cinematic experience. Dive right in with a brilliant FHD or on selected models 4K<sup>1</sup> display, audio by Bang & Olufsen and HP Audio Boost technology.

### Powered for performance

With up to 16GB of RAM, the latest Intel® Core™ i Processors and up to 512GB PCIe storage on selected models, scrolling through your entertainment library and accessing all your documents is lightning-fast.

### All-day portability

When everyday is nonstop, you need a device that is always ready for what's next. With a light, thin, all-metal body paired with an all-day battery<sup>2</sup>, this laptop keeps up with you, no matter what your day demands.

### HP Lounge, get closer to the Artists you love

With unlimited access to music and exclusive content for HP customers, there's no need to search for it, as it comes to you.<sup>17</sup>

Backlit keyboard

<sup>1</sup> 4K content is required to view 4K images. <sup>2</sup> Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <http://www.bapco.com> for additional details. <sup>17</sup> Unlimited access to Universal Music's portfolio for 12 months, free to HP customers. Internet access is required.

## HP ENVY Notebook 15-as180no

---

### Windows 10

Do great things confidently with the familiar feel of Windows—only better.<sup>4</sup>

### 7th generation Intel® Core™ processors

Powerful performance easily keeps up with all your multitasking demands, enables new ways to interact with your PC, and delivers enhanced 4K video capabilities.

### IPS panel

No matter where you stand, this screen delivers clear, vivid images with 178° wide viewing angles, so everyone can get a great view.

### Intel® HD Graphics

Impressive graphics help with everything you do. Whether it's watching a video or just surfing the web, Intel® HD Graphics render all the visuals on your screen with smooth, vivid quality.

### DDR4 RAM options

Designed to run more efficiently and more reliably at faster speeds, DDR4 is the future of RAM. With its higher bandwidth, everything from multi-tasking to playing games gets a performance boost.

---

<sup>4</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
