

HP VH24 23.8-inch Display

Striking display meeting TAA contract requirements and your budget.

TAA, GSA & NAFTA Compliant

A TAA-compliant product of Mexico that complies with U.S. Government procurement policies.

Clear, detailed viewing

See a sharp, bright picture on the 23.8-inch diagonal screen with Full HD resolution¹ and an 178 X 178 degree wide angle view with IPS panel technology.

Ergonomics and Efficiently Design

Optimize your comfort with height, tilt, swivel and pivot adjustments for the way you work best. Plus, create an efficient workspace by attaching your HP Desktop Mini, HP Chromebox, or select HP Thin Client directly behind the monitor.²

Connectivity Options

The ports you need and want: VGA, DVI-D, and DisplayPort™.

Designed with Environment in Mind

Energy-smart design that is ENERGY STAR® certified, EPEAT® Gold registered and TCO certified.³

M1T03AA/A6#ABA

¹ FHD content required to view FHD images.

² Requires HP PC Mounting Bracket for Monitors, sold separately. See product Quick Specs for exact PC and thin client compatibility.

³ EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status in your country.

ENERGY STAR is a registered trademark of the U.S. Environmental Protection Agency. DisplayPort™ and the DisplayPort™ logo are trademarks owned by the Video Electronics Standards Association (VESA®) in the United States and other countries.

HP VH24 23.8-inch Display

Value Proposition

Boost productivity with the TAA-compliant HP VH24 23.8-inch Monitor. With Full HD resolution and four-way adjustable comfort, this well-priced business monitor is a product of Mexico that complies with U.S. Government procurement policies.
