Customs in Poland disrupt plans to import counterfeits

- In November 2016, customs officials in Poland successfully intercepted a shipment of counterfeit components illegally carrying an HP trade mark.
- In total, they confiscated over 3,100 items for manufacturing counterfeit cartridges for HP printers, including empty toner cartridges and counterfeit security labels.
- HP sincerely thanks the Polish authorities for their vigilance and is glad to have supported this success.

Protect your company against fakes

- We recommend to only buy from trusted vendors such as HP channel partners and to explicitly ask for HP originals. [Learn more!](#)
