

HP recycling vendors

HP is sharing information about its recycling networks to promote transparency and progress in raising social and environmental standards in the electronics industry supply chain.

Below is an alphabetized list of recycling facilities that represent more than 95% of HP's volume of used electrical and electronic equipment (UEEE) processed through our [Planet Partners program](#) at the time of publication.

Recycling Facilities

Name	Address
Canon Bretagne	Les Landes de Beaugé, 35341 Liffré Cedex, France
Canon Environmental Technologies, Inc.	6000 Industrial Drive, Gloucester, VA 23061, USA
