HP V273a 27-inch Monitor

Value Proposition

Boost productivity with the HP V273a 27-inch Monitor. The wide view, large screen, built in speakers, efficient adaptability, and economical price point are ideal for office environments.

Key Features:

1. See your work in remarkable detail on a large 27-inch diagonal screen with FHD 1920 x 1080 resolution, 10M:1 dynamic contrast ratio¹, and 170 x 160 degree wide viewing angles.
2. Enjoy a rich audio experience with dual built in speakers running at 2.5 watts per channel for your projects' audio needs.
3. View your content with a rapid response time of 2ms on a Full High Definition screen, enabling a crisp and remarkably clear image throughout all your tasks.
4. Create an efficient workspace with an internal power supply and by attaching select HP PCs directly to the back of the monitor. Conveniently connect your devices with VGA and HDMI inputs.
