

Charge & secure notebook PCs with the HP 32U Essential Charging Cart

Secure storage & charging

Keep your classroom's notebooks and Chromebook™ computers secured, charged and ready to go at the start of each day.

Streamlined charging

Recharge your devices to full power from one standard wall outlet. Power extra A/V equipment from the cart's three external auxiliary outlets.

Flexible design

Customize your cart with removable partitions for storing other devices when you don't need all 32 slots for notebooks. Slide shelves in and out for simple loading and unloading.
