HP Slimline Desktop 260-a104na

Slim on size. Big on reliability.

Conquer your day with the expanded storage, powerful processor, tested reliability and smaller footprint of this slimmer HP tower. Finding an affordable tower with the full performance you need and the name you trust just got easier.

Built to last
When you're looking for a desktop that just doesn't quit, HP has you covered. We put every tower through over 100 tests, ensuring its trusted reliability.

Names you know. Performance you can trust.
From the powerful processors to the Windows 10, these HP Towers are packed with reliable and proven technology from trusted brands.[1]

Cyberlink PowerDirector and Power Media Player included
Whether you're editing pro-quality videos or just watching your favorite DVD, powerful software gives you all the tools you need.

HP Slimline Desktop 260-a104na

Intel® HD Graphics
Impressive graphics help with everything you do. Whether it's watching a video or just surfing the web, Intel® HD Graphics render all the visuals on your screen with smooth, vivid quality.

Re-writable DVD drive
Watch and write DVDs using the integrated optical drive.

Hard drive storage
Don't worry about growing your collection of digital movies, songs, and pictures. With massive storage options you can save it all, and still have plenty of room left over.
