M4025 | 3825 | 3325 series

For every business

## High productivity, cost-efficiency and versatility

Outstanding Achievement in Innovation: Samsung Easy Eco Driver

### Create professional documents more quickly

**High speed printing** of up to 40 ppm<sup>1</sup> (pages per minute).

#### Higher-quality print output

- ReCP (Rendering engine for Clean Page) technology for sharp text and clear images.
- 1,200 x 1,200 effective dpi (dots per inch) resolution.

#### Additional printing choices for professional documents

- A multipurpose tray that handles a wide range of media, up to 220 gsm (grams per square meter), such as labels, cardstock and envelopes.

### Reduce operating expenses with economical features and solutions

#### Professional eco solution

- Easy Eco Driver enables users to set options to remove unnecessary text or images and also change the layout such as N-up printing without changing the original documents before printing.
- One Touch Eco Button automatically activates 2-up (two pages on one side of the paper) and duplex printing, toner-save mode and the option to skip blank pages.

#### More toner options, more choices for cost reduction

- Diverse toner options from 3,000 to 15,000 page yields that meet every businesses needs for reducing cost per page.<sup>2</sup>
- A separated toner system features a imaging unit and toner cartridge that are sold as separate units, enabling either part to be replaced when necessary. This separated toner system is ideal for cost-conscious businesses with low printing volumes.

### Central print usage control to save more resources

- Samsung SyncThru™ Admin solution enables management to assign users to specific devices, and assign predetermined quotas for the number of printed pages or copies by user.

### Improve productivity with versatile features from duplex printing to security

#### Built-in duplex printing

- Provides professional two-sided documents, brochures, and booklets with ease, which can also help save money and reduce paper use.

#### Mobile printing, easier than ever

- Convenient mobile print, scan and fax with powerful compatibility, optimized for various business environments.

**Enterprise-level document security** offers greater control of user, document and network access.

### Streamline printing with ease-of-use design

**Easy Printer Manager** for smooth print operation from toner and job accounting to device settings.

**Easy toner replacement** eases maintenance with a simplified drawer-type toner replacement process.

**Easy secure printing** with a built-in numeric key pad.<sup>3</sup>

**Easy connection** through wireless printing without the use of an access point.<sup>4</sup>

1. 40ppm is available on M4025ND model only.

2. 10,000 page yield toner cartridge is available on M3825 and M4025 series only. 15,000 page yield toner cartridge is available on M4025ND model only.

3. Numeric key pad is available on M3825ND, M3825DW and M4025ND models only.

4. Wireless printing is available on M3825DW model only.
