

HP Spectre x360 Convertible 13-ac010na

Seductive power. Take it for a spin.

Meticulously crafted from the inside out, the Spectre x360 redefines what you expect from technology. With four unique modes, and over 8 million pixels on the thinnest convertible PC we've ever made, it's a new perspective on what you and your laptop can do.¹

Four modes engineered to amaze
Our thinnest x360 yet is irresistibly sleek. At 1.32 kg² and 13.9 mm thin, and impressively versatile with a 360° hinge and four unique modes.

Astounding power. Exceptional endurance.
Prepare to accomplish more than you ever thought possible with up to 16 hours of battery life³ and HP Fast Charge.⁴ Get unrivaled all-day performance with a lightning-fast Intel® Core™ processor.

Windows Ink
Naturally drive content, ideas, and drawings forward with digital pen-based computing and Windows Ink. Seamlessly jot down notes in Office, or draw on a collection of apps.⁵

¹ 4K content required to view full 4K images. ² Weight will vary by configuration. ³ Windows 10/MM14 Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapco.com/products/mobilemark-2014/> ⁴ Recharges your battery up to 90% within 90 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 90% capacity, charging speed will return to normal speed. Available on select HP Spectre, HP Envy, HP Omen and HP Pavilion PC models. See <http://store.hp.com> for a full list of product features. ⁵ Some features including voice supported Cortana, inking, and Continuum require more advanced hardware. See www.windows.com. Apps and digital pen sold separately.

HP Spectre x360 Convertible 13-ac010na

¹ McAfee LiveSafe 30-day free trial offer (Internet access required. First 30 days included. Subscription required for live updates afterwards.)² Recharges your battery up to 90% within 90 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 90% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Spectre, HP Envy, HP Omen and HP Pavilion PC models. See <http://store.hp.com> for a full list of product features.³ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. Intel, Pentium, Intel Core, Celeron, Intel logo and the Intel Inside logo are trademarks of Intel Corporation in the U.S. and other countries.⁴ Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See <http://www.intel.com/technology/turboboost/> for more information.⁵ Estimated Windows 10 battery life based on Windows 10 / MobileMark® 2014 benchmarking. Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.
