

HP Spectre x360 13-4201nx

360° of versatility. Zero compromises.

It's time to demand more from your notebook. Function meets flexibility in the elegantly designed x360. With four modes, lightning-fast performance, and impressive battery life, this convertible PC delivers in more ways than one. Any way you bend it, the Spectre x360 delivers.

Distinctive versatility and style

Enjoy 4 modes with seamless transition from notebook to tablet and everything in between, with an elegantly designed 360° hinge and metal body. This thin and light convertible PC is a masterful blend of design and performance.

Spectre-ENVY laptop OLED

Experience living color

The Quad HD OLED display¹ renders more vivid and dramatic images with a superb range of color. Better contrast and true blacks bring every photo and movie to life with captivating quality.

Impressive performance. All day portability.

Enjoy lightning-fast performance throughout the day on this premium x360 that boasts up to 12.5-hours of battery life for your non-compromising schedule.²

¹ Quad High Definition OLED content required to view Quad High Definition OLED images. ² Windows 10/ MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.
