Introduction

Share dynamic content with customers and enable them to input their data for a personalized experience with the HP ElitePOS 10.1 in Touch Display for the HP ElitePOS. It has a durable, cleanable, edge-to-edge touchscreen, adjustable stand for optimal placement, and simple USB-C™ connectivity.

Overview

Key Features and Benefits

- Encourage customer engagement with a bright screen and familiar, responsive projective capacitive touch technology that's easy to navigate.
 - Maintain a streamlined counter space with single-cable connectivity through USB-C™.
 - Place the durable, 10.1" diagonal LCD display in a range of high-traffic areas. The edge-to-edge, bezel-less glass is easy to clean, helps provide protection from dust, and retains the modern aesthetic of the HP ElitePOS.
 - Use the included low-profile, tilting stand to find the perfect spot in your retail and hospitality environment to grab customer attention; adjust positioning for comfortable touch interaction.
 - Rest easy that your IT investment is supported by a three-year standard limited warranty.
-

Compatibility

The HP ElitePOS 10.1" Touch display is compatible with the HP ElitePOS G1 Retail System.

NOTE: Not all HP Retail system models are available in all regions.

NOTE: Also compatible with some other HP products via USB-C flex port USB-C DP Alt-mode technology*

*Compatibility to all products not tested

Service and Support

Three (3) year limited warranty with advance exchange. Additional HP Care Pack Services options are available to extend warranty coverage.
