

# HP Pavilion Bluetooth® Headset 600

**A rechargeable, wireless  
Bluetooth® headset  
perfect for your on-the-go  
life**

Experience crystal clear audio from a Bluetooth® headset that doesn't hold you back. Featuring up to half a day's worth of battery, a cushioned design, and all the bells and whistles you need, this headset is prepared for even the busiest schedules.

#### **Hear you loud and clear**

- Your voice plays through the headset, producing the natural sound of an in-person conversation.<sup>1</sup>

#### **Bluetooth pairing**

- Headset automatically connects to the last device paired via Bluetooth®.

#### **Extended battery life**

- Keep your day moving with up to a 12-hour battery life.<sup>2</sup>

#### **Features**

- AUX cable connects to devices that don't feature Bluetooth® and lets you use your headset if the battery dies.<sup>3</sup>
- Cushioned, over-ear design reduces ambient noise while providing comfort for extended usage.
- Designed for portability with a collapsible headband and ear cups that fold in for storage and travel.
- Conveniently control volume, music tracks, and phone calls with on-headset controls.

<sup>1</sup> Listening to personal stereo equipment at high volume for long periods can damage the user's hearing. To reduce the risk of hearing damage, lower the volume and amount of time listening at full volume.

<sup>2</sup> Charging time will vary depending on the charge level of the device being charged. The maximum capacity of the battery will naturally decrease with time and usage.

<sup>3</sup> Microphone does not function when headset is connected via AUX audio cable.
