# HP 24w Display

## Sleek, stunning, and a serious value

With a Full HD resolution<sup>1</sup> and nearly borderless design, this IPS display delivers the perfect combination of form and function for less than you'd imagine. Easily hook up your laptop or desktop and enjoy a big screen experience for all your favorite content.

### Sleek look. Immersive view.

- Give your desk a slim, sleek new addition. Nearly borderless on three sides, the micro-edge design delivers more screen in less space—perfect for multiple display setups.

### Brilliant quality from any angle

- Watch, and enjoy your content in beautiful Full HD<sup>1</sup>, from any angle. This 60.4 cm (23.8") diagonal IPS screen has 178 viewing angles for an expansive entertainment experience.

### Modern connectivity

- Easily take full advantage of the Full HD screen. With VGA and HDMI ports, this display makes connecting your laptop or desktop completely seamless.

### Featuring

- With virtually no bezel encircling the display, an ultra-wide viewing experience provides for seamless multi-monitor set-ups.
- No matter where you stand, an HP IPS monitor delivers clear, vivid images. IPS technology ensures image accuracy and consistency across the ultra-wide viewing spectrum. Enjoy the same wide viewing experience as premium tablets and mobile devices.
- Videos and games come to life with less stutter or blur for more realistic play with smooth 5 millisecond gray-to-gray response time.
- Be prepared for brilliant visuals and crisp images with the unforgettable quality of this stunning FHD display.

<sup>1</sup> Full high-definition (FHD) content required to view FHD images.
