

Samsung Multifunction *Xpress*

M2070 series

For your productivity

Get Print On Tap!

With Samsung **NFC Print™**

Enjoy hassle-free printing with NFC technology*

Tap, print, and go : Samsung NFC Print™

- Connect and print with ease using Samsung's monochrome laser printer with advanced NFC technology.
- Just tap and then print or scan from your mobile device¹.

Get ready to print with Samsung GALAXY®

- Directly print from your Samsung GALAXY® mobile device² without the need to install a Mobile Print app³.

Get advanced mobile printing with more options : Samsung Mobile Print App

- Print with powerful features including N-up printing, image size adjustment and support for mobile scan.
- Print various formats and types of documents, such as gallery images, Microsoft® Office documents, Adobe® PDFs, web pages, Gmail™, Google Docs™, along with Twitter® and Facebook® content.

Choose your connection : Wi-Fi or Wi-Fi Direct

- Connect to the printer with Wi-Fi Direct even with a wireless not available.

Expand your printing horizons : Google Cloud Print™

- Remotely access printers from a Google® account and send selected printing jobs.
- Print emails, photos, PDF files and SNS messages, such as Facebook and Twitter posts, from anywhere, anytime.

Install, print, and save money more easily than ever before

Keep it simple and install wirelessly

- Enjoy quick, easy three-step wireless printer installation without even having a USB⁴.

Cut printing costs with just a touch

- Activate the economical features with One-touch Eco button to save toner, paper and energy.

View it, print it with a single button touch

- Simply press the One-touch Print Screen button to print whatever you see on the screen⁵.

Manage and create like a pro with ease

- Easily and efficiently manage printer settings and status with Easy Printer Manager.
- Create digital documents and share with others via email, and social networks, including Facebook and Twitter.

Enjoy speedy high quality prints

Get fast, high performance prints

- Handle large, complex printing and scanning jobs with Samsung's advanced 600 MHz Cortex™-A5 core processor and 128 MB memory for high-speed printing and image processing.

Count on Samsung for image excellence

- Get sharper text, cleaner images and smooth-looking prints every time with Samsung Rendering Engine for Clean Page (ReCP) technology.

1. Mobile devices should be NFC-supported

2. Samsung GALAXY S2 and later

3. AirPrint™ support is for iOS™-based devices only

4. Supported by M2070W only

5. Supported by M2070 only

* All mobile printing functions are supported by M2070W only
