Enhance efficiency with a versatile and easy-to-use multifunction printer

As a business owner or manager who's increasingly more aware of the cost and performance of your printing solution, you expect quick, high-quality output from your printing device. Business documents play an essential role in daily communication with your clients and staff. A high-performing, efficient multifunction printer that's ready to use out of the box is must for today's workplace.

Samsung created Samsung MultiXpress K2200 series for your businesses with the following benefits:

- Minimal total cost of ownership (TCO).
  Quickly reduce operating costs with high capacity toner and imaging units and eco-friendly features.

- Outstanding performance and versatility.
  Rapidly increase your productivity with the best-in-class print and scan speeds, versatile functions and expandability options.

- Flexible management and maintenance.
  Easily handle your device with simple printer management and convenient consumable installation.

Reduce operating expenses with cost-effective and economical features

High-capacity consumables

Businesses with heavy printing volumes will appreciate how the high-yield consumables help lower the total cost per page. Up to 10,000 pages can be printed with a single toner cartridge and up to 80,000 pages per imaging unit. Being able to print more with a single toner cartridge and imaging unit makes MultiXpress K2200 series an optimal choice for high-volume printing with low maintenance costs.

Imaging unit
80,000 pages

Toner
10,000 pages

Eco-friendly power efficiency

MultiXpress K2200 series meets the strict standards for energy efficiency set by the ENERGY STAR® International program. With lowest-in-class power consumption, MultiXpress K2200 series achieves total energy consumption (TEC) of 0.97 kWh[2]*. A lower TEC decreases your energy bill and environmental impact.

Total Energy Consumtion (TEC)
0.97

*Under ideal test conditions.

Innovative, eco-conscious cost savings

Granted the 2012 Outstanding Achievement in Innovation award from Buyers Laboratory (BLI), Samsung Easy Eco Driver software helps your business save up to 20 percent on toner and paper usage, and decreases energy consumption.

You can print more with duplex[3] or N-up printing, and save more with the options of removing images or text, and converting images from bitmap to sketch. Eco Simulator displays the estimated percentages of carbon dioxide, electricity and paper being saved based on the Easy Eco Driver settings.

MultiXpress K2200 series helps your business be more cost effective and helps your employees work more efficiently.

SAMSUNG

Boost productivity with outstanding performance

High-speed printing and scanning[1]

With best-in-class printing and scanning speeds, MultiXpress K2200 series helps your business expedite document and image processing. Increase your employees' productivity with print speeds of up to 20 pages per minute (ppm) and color scanning speed of Up to 30 images per minute (ipm).

Fast, direct-to-PC color scanning. Boasting the best-in-class color scanning speed, MultiXpress K2200 series helps you send full-color documents directly to an employee's PC for more efficient and productive workflow. MultiXpress K2200 series even supports the production of multipage PDFs.

Color scan
30 images
per minute

Mono print
20 pages
per minute

K2200ND with SCF & RADF option

High-quality print output for professional documents

Print and scan your documents with a high resolution using Rendering Engine for Clean Page (ReCP) technology. This advanced technology improves readability by enhancing thin lines and negative images and sharpening edges.

Print

High-resolution printing

Edge enhancement

Up to 1200x1200 dpi

Scan (Color & Mono)

Enhances thin lines and small text

Remove halftone patterns

Up to 600x600 dpi

Increased versatility in standard and expandability

In addition to providing 3-in-1 multifunctional (print, copy and scan) capabilities for easy business-document handling, MultiXpress K2200 series has been enhanced to include ID card copy. Simply press the ID Copy button to copy the front and back of an ID card on the same side of the page.

Print   Copy   Scan + ID Copy

Change how your office uses the device by taking advantage of additional standard features and optional features. These features include remote printing, duplex printing, a reverse automatic document feeder (RADF) and a second cassette feeder (SCF):

1. Remote (network) printing: Connect the device to the network to print from other PCs under the same network, increasing document print capabilities[3].

2. Duplex printing: Produce professional, two-sided documents, such as brochures and booklets, with ease while reducing the amount of paper used[3].

3. RADF: RADF lets you scan and copy a two-sided document without having to manually flip the page over. You can also load up to 100 pages for effortless copying[3].

4. SCF: A second cassette feeder holds up to 250 sheets of additional paper, labels or larger sheets of paper[3].

Print hassle-free with a suite of easy-to-use features and functions

Easy Printer Manager

Monitor toner amounts, order consumables online and maintain the device settings from your computer with Easy Printer Manager. Your employees can be more productive without having to waste their time setting up each printer. Employees can simply check the status of print jobs from a PC or mobile device.

Checking Product Lists

Ordering Consumables Online

Configuring Products

Setting and Activating Alarms

Easy-to-use features help you monitor and maintain MultiXpress K2200 series so that you can focus on your business.

Easy Document Creator

Scan, compile and save documents in multiple formats, including e-pub, for sharing on social networks, or emailing. A document converter and uploader for smartphones, and e-book readers are also available for effortless and convenient document uploading in various formats.

Convenient imaging unit installation

MultiXpress K2200 series is designed to help you work more efficiently with a ready-to-install imaging unit. Unlike other printers that require multiple steps of disassembling the imaging unit to insert the developer during installation, MultiXpress K2200 series comes with the developer integrated in the imaging unit for a quick and hassle-free installation.

Transform your business into an efficient workplace!

MultiXpress K2200 series is designed to help your business operate more efficiently. The multifunction printer's enhanced standard and optional features enable you to take your business to the next level.

- Economical and environmentally friendly features, such as high-yield consumables, low total energy cost and Easy Eco Driver, make this printer cost and energy efficient.

- High-speed printing of up to 20 ppm and color scanning of up to 30 ipm increase productivity, adding to cost savings. You can efficiently handle business documents with versatile functions and additional features, such as the ID Copy button, duplex printing, network connectivity, RADF and SCF[3]. ReCP technology also helps raise the professionalism of your printed and scanned documents with sharp text and clear images.

- The easy-to-use features of MultiXpress K2200 series help streamline your business operations. You can monitor the printer from your PC, and easily create documents in multiple formats for emailing or posting to social networking sites. In addition, you can start printing right away with a quick and simple installation.

- MultiXpress K2200 series helps your business become a more efficient work environment where your employees perform more productively.

Paper Tray

Second Cassette Feeder (Option for K2200ND only)

Specifications

General Specifications

Speed	20 / 20 ppm
Processor	600 MHz
Memory	- K2200 : 64 MB - K2200ND : 128 MB
Operational Panel	4-Line Graphic LCD
Interface	Hi-Speed USB 2.0 Device (1Port)
Dimension (W x D x H)	560 x 540 x 417 mm
Weight	23 Kg
Network Protocols	- IP Management : DHCP / DHCPv6 BOOTP / AutoIP / SetIP / Static - Discovery Protocol : SLP / UPnP Bonjour / DNS / WINS - Printing Protocol : TCP/IP (9100) TCP/IP (9100)v6 / LPR / LPR6 IPP / WSD - Management Protocol : SNMPv1.2 SNMPv1.2 (IPv6) / SNMP3 SNMPv3 (IPv6) / HTTP - Scan Protocol : Twain for Network - Security Protocol : IPSec
OS Compatibility	Windows XP / 2003 / Vista / 2008 / 7 / 8
Power Consumption (TEC)	- K2200 : 0.97 kWh - K2200ND : 0.99 kWh

Paper Handling

Input Capacity & Types	- K2200 : Max 350 Sheets @ 80g/m^2 (Std 250 + MP100 Sheets @ 80g/m^2) - K2200ND : Max 600 Sheets @ 80g/m^2 (Std 250 + MP100 + SCF 250 Sheets @ 80 g/m^2)
Output Capacity & Types	Up to 250 Sheets Face Down
Media Size	Std/MP : A3 / A4 / A5 / B4 / B5 Ledger / Legal / Officio / Folio Letter / Executive / Statement 8K / 16K / Post Card

Media Type	Thin / Cotton / Colored / Pre-Printed Recycled / Bond / Archive Letterhead / Hole Punched Thin Cardstock
Media Weight	Std/MP : 60 ~ 110 g/m^2- 60 ~ 163 g/m^2
ADF Document Size	A3 / A4 LEF / A4 SEF / A5 LEF / A5 SEF / B4 / B5 LEF B5 SEF
ADF Capacity	100 Sheets @ 80 g/m^2

Copy Specification

First Copy Out Time (Mono/Color)	7.4 sec
Resolution	Up to 600 x 600 dpi
Zoom Rate	25% ~ 400%
Multi Copy	Up to 999
Duplex Copy	Optional RADF (K2200ND model only)
Copy Features	ID Copy / N-up Copy / Book Copy

Print Specification

Resolution	Real 1200 x 1200 dpi (Optical)
Emulation	- K2200 : GDI - K2200ND : GDI / PCL5 / PCL6
Fonts	- K2200 : N/A - K2200ND : PCL 93 scalable / 1 bitmap
Duplex	- K2200 : Manual - K2200ND : Built-in
Copy Features	ID Copy / N-up Copy / Book Copy
Utilities	Easy Printer Manager / Easy Document Creator / Easy Deployment Manager Mobile Print (Android/iOS) / SetIP MetroApp
Solutions	SyncThru 6.0

Scanner Specification

Speed	- Mono : 30 ipm @ 300 dpi via RADF (K2200 model only) - Color : 30 ipm @ 200 dpi via RADF
Compatibility	- K2200 : Local TWAIN - K2200ND : Local TWAIN Network TWAIN
Scan Size	- Platen / RADF : A6 / B6 A5 / B4 / A4 / A3
Scan File Formats	TIFF / JPEG / PDF / BMP
Resolution	- Optical : 600 x 600 dpi - Enhanced : 4800 x 4800 dpi
Method	CIS
Scan to Destination	Scan to PC

Options (K2200ND only)

SCF: Second Cassette Feeder (SL-SCF2080)

Input Capacity	250 Sheets @ 80 g/m^2
Media Size	A3 / A4 / A5 / B4 / B5 / Ledger Legal / Officio / Folio Letter / Executive / Statement 8K / 16K / Post Card
Media Weight	60 ~ 90 g/m^2
Dimension (W x D x H)	560 x 539.7 x 97.2 mm
Weight	7.8 kg

RADF: Reverse Automatic Document Feeder (SL-ADF250D)

Media Size	A6 / B6 / A5 / B4 / A4 / A3
Media Weight	60 ~ 110 g/m^2
Dimension (W x D x H)	554.6 x 491 x 94.9 mm
Weight	5.2 kg
