Samsung Printer *Xpress* C430W Samsung Multifunction *Xpress* C480FW

Color Laser Printers Designed to Make You Look Your Best

Complement all your ambition and talent with a printer that will make you look every bit as good as you are. The Samsung Printer Xpress C430W/C480FW network and wireless color laser printers deliver world-class results, with the reliability Samsung is known for. With fast print speeds, innovative imaging technology, a 20,000-page duty cycle and sleek designs, they'll promote a professional image with every job you do.

Be More Productive

You'll speed through jobs at print speeds up to 19 ppm.

Get Print on Tap

Simply tap your NFC-enabled mobile device to the Samsung Xpress C430W or C480FW printer to quickly and easily establish a Wi-Fi Direct™ connection, so you can print virtually any content from your smartphone or tablet.

Professional Image Quality

Samsung's ReCP image processing technology combines with our polymerized toner for sharp, crisp, high-resolution images. And the two-piece toner system means you can replace the toner and drum separately, for greater cost efficiency.

One-Touch Wireless Setup

Getting up and running with these wireless printers is simple. Just press the WPS (Wi-Fi Protected Setup™) button on your WPS-enabled router and the WPS button on the printer, and your printer will automatically configure and connect to your wireless network. So simple.

Easy Mobile Printing

Print from your iPhone®, iPad®, Windows® Phone or Android™ mobile device directly to the wireless printer. Just download our free Mobile Print app, and you can print without a computer.

Sleek, Professional, Silent Design

Samsung products are designed to impress with both their performance and their looks. And with a printing volume of less than 48 dBA, the C430W and C480FW are the strong, silent types.
