

SF-760P Multi-Function Printer

Prints, copies, scans, faxes,
saves you money.

A Compact, Professional-Level MFP at an Economical Price

Professionalism with convenience is within reach. The Samsung SF-760P MFP allows you to print, copy, scan and fax with the high quality you expect from Samsung, along with the time- and money-saving features every business needs. You can print and copy at speeds up to 21 ppm. Faxing is made simple with numerous features, including a dedicated handset, caller I.D., 20 one-touch dial keys, a multi-send button to send to numerous recipients at once and PC faxing/receiving. And with a compact footprint, the Samsung SF-760P will fit into every office's efficiency plan. **Business. Innovated.**

21 ppm Printing at an Exceptional Price

Print speeds of up to 21 ppm and first print out time of as fast as 8.5 seconds means you'll spend more time printing and less time waiting. And the economical cost of entry only adds to the value.

Compact and Quiet

The SF-760P is a compact 16.8" W x 10.2" D x 11" H. It's a hard worker that takes up very little space. And with sound levels of less than 50dBA, you'll barely notice it's there.

10,000-Page Monthly Duty Cycle

With a monthly duty cycle of 10,000 pages, you can count on your Samsung printer to be there for you when you need it.

Easy Fax Functions

Dedicated fax functions such as one-touch dial, speed dial, on-hook dial, multi-send, delay send and PC-fax send/receive make faxing a simple task.

One-Piece Toner Cartridge

The one-piece toner cartridge system makes changing toner easier and cleaner, and provides better value.

1200 x 1200 dpi Resolution

Present the finest possible image for your company with Samsung's clear, reliable, professional-level output.
