

ACF Success Notice for corporate customers
Nigeria, November 2017

New seizure topples international counterfeiting ring

- Lagos area authorities raided the retail outlet, clandestine warehouse, and manufacturing sites of a large syndicate importing and manufacturing counterfeit cartridges for HP printers.
- During the enforcement action, which took place in September 2017, the officials confiscated around 142,000 illicit items.
- HP, supporting this action, sincerely thanks the officials for their dedicated steps to protect customers from risky fakes.

Protect your company against fakes

- We recommend to only buy from trusted vendors such as HP channel partners and to explicitly ask for HP originals. [Learn more!](#)
