

HP All-in-One 24-e080na

Beautiful All-in-One design. Built to perform.

When it comes to quality and performance, the HP All-in-One PC has your family covered. Home to your favorite entertainment, this beautifully designed PC does more than help you stay connected, it exceeds expectations - from enjoying quality downtime to helping you to tackle all your daily needs with confidence.

Powered for your every day

With the latest processor from Intel® or AMD and plenty of storage space, browse the hottest content, stream your favorite series, and simplify home projects, all on a sensational FHD display¹ with touch on select models.²

Peace of mind you deserve

Rest assured, your All-in-One has been through rigorous quality testing for reliable, long-lasting value. And with the added comfort of a privacy camera switch, know your privacy is safeguarded.

Sensational design. Sensible approach.

Bringing home a modern look and feel, this All-in-One features an elevated display, adjustable tilt stand, and a touch of color along its finish. It's enough to brighten any room.

¹ Full high-definition (FHD) content required to view FHD images. ² Optional touch screen sold separately.
