

# HP Tilt Pen

## Bluetooth® digital pen with tilt functionality

Elevate your creativity with the improved precision of the HP Tilt Pen. Write, draw, and compute as naturally as ever with true-to-life feel creating a seamless and enjoyable working experience.

### **Tilt. Shade. Create.**

- Feels as natural as putting pen to paper with tilt for improved precision and pressure detection for shading at different angles, giving you a true-to-life drawing experience.

### **Integrated presenter controls**

- Activate presentation mode to conveniently move your cursor, flip through slides, and highlight key points of your presentation—without the need for a clicker.

### **Featuring**

- Set your customizable Bluetooth® button as a tail end eraser, and launch functions with a quick click.
- With up to 10 hours of battery life and a rechargeable feature, you can focus on work instead of recharging.<sup>1</sup>
- Naturally drive content, ideas, and drawings forward with digital pen-based computing and Windows Ink.<sup>2</sup>
- Improved technology allows you to write, draw and navigate with precision.<sup>2</sup>
- Precision tip and pressure sensitivity gives you complete control, as if it's pen to paper.
- Works with a range of apps for anything from drawing to computing.<sup>3</sup>
- With up to 10 hours of battery life and a USB-C rechargeable feature, you can focus on work instead of recharging.
