

HP All-in-One 20-c019nh

Redesigned. Reliable. Ready for you.

Whether your family is looking to surf, stream or tackle that next big assignment, this budget friendly All-in-One has been redesigned to give everyone what they need. A brand new look and reliable, trusted performance make this the perfect living room go-to.

Powered for every day

The latest processors¹, plenty of storage and a 49.53 cm (19.5") diagonal IPS display powers your content and gives the whole family an awesome view. Now everyone can get connected without slowing down.

Quality everyone can count on

With over 100 tests², you can depend on your HP All-in-One to help your family through every homework assignment, school project, and all-day movie binges.

Stylish stand

A pop of personality

Completely redesigned with a stylish ripple pattern and a new, elevated stand, this All-in-One looks great alongside your home décor.

¹ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. ² HP Total Test Process testing is not a guarantee of future performance under these test conditions. Damage under the HP Total Test Process test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
