

**The HP Anti Counterfeiting and Fraud (ACF) Programme  
for channel partner and customer protection in EMEA**

ACF Success Notice for corporate customers  
Mozambique, January 2018

---

# **String of seizures proves milestone for Mozambique**

- Within just a few weeks in December 2017, Maputo region officials disrupted the remarkable total of seven operations selling fake cartridges for HP printers, including both large distributors and local shops.
- Raiding multiple warehouses and stores in successive actions, the authorities seized 64,000 illicit items.
- HP supported the officials and congratulates them on this pioneering series of successes.

## Protect your company against fakes

- We recommend to only buy from trusted vendors such as HP channel partners and to explicitly ask for HP originals. [Learn more!](#)

- If you have received a delivery of suspicious cartridges, please ask for one of our free Customer Delivery Inspections (CDIs). [Learn more!](#)
