

HP Pavilion 24 All-in-One PC 24-x001ni

Teacher. Chef. Artist. Super hero.

When it comes to the best-looking, hardest-working part of your home, the Pavilion All-in-One is second only to you. Accenting any room, its micro-edge display and powerful performance are ready to take any afternoon stream session or part-time passion to the next level.

Everyday elegance

Stunning in any setting, the Pavilion All-in-One was designed to perfectly blend form and function—its ultra-slim chassis saves space on your desk, while the barely-there pop-up camera safeguard's your family's privacy.

What a view

Sit back and enjoy a state-of-the-art entertainment experience. Elevate every stream, video chat, and photo with a micro-edge FHD touchscreen¹ and fabric covered speakers tuned by B&O PLAY.

Powered for productivity

With the latest Intel® processors and abundant storage, you can dive right into anything from paying your bills to vacation planning – the possibilities are endless.

¹ Full high-definition (FHD) content required to view FHD images.

HP Pavilion 24 All-in-One PC 24-x001ni

Featuring

Windows 10

Do great things confidently with the familiar feel of Windows - only better.

7th Generation Intel® Core™ processor

Powerful performance easily keeps up with all your multitasking demands, enables new ways to interact with your PC, and delivers enhanced 4K video capabilities.

802.11 a/c (1x1) WLAN & Bluetooth® 4.2

Stay connected to Wi-Fi and to Bluetooth® accessories with wireless technology.

DDR4 RAM options

Designed to run more efficiently and more reliably at faster speeds, DDR4 is the future of RAM. With its higher bandwidth, everything from multi-tasking to playing games gets a performance boost.

Hard drive storage

Don't worry about growing your collection of digital movies, songs, and pictures. With massive storage options you can save it all, and still have plenty of room left over.
