

HP 22y Display

A new horizon for entertainment

Get the crisp, clear picture quality you crave at an incredible value with this flat panel display. With stylish features you've come to expect, it's user-friendly design elevates all your favorite content, whether you're browsing the web or streaming the latest entertainment.

Crisp, clear picture

- Enjoy lifelike color and sharp details for every document, video, and email on a 54.6 cm (21.5") diagonal screen in FHD¹ - from your daily tasks to your entertainment needs, this display has you covered.

Versatile connectivity

- Get the picture quality you're looking for without the need for annoying dongles. Conveniently connect your devices with VGA and DVI ports and enjoy a crisp, clear picture in FHD.

Less energy. More savings.

- Mercury-free backlights, arsenic-free glass, and an energy efficient design help reduce your monthly power consumption, which is good for your wallet - and the environment.

¹ Full high-definition (FHD) content required to view FHD images.

² High definition (HD) content is required to view high-definition images.

³ VESA mounting arm or wall mounting assembly sold separately.

⁵ EPEAT Silver registered models of this product are available where HP registers consumer [desktop/notebooks/tablets/monitors/All-in-Ones*] computers. Available in the U.S. only.

HP 22y Display

Featuring

Full HD display / 1080p display

Be prepared for brilliant visuals and crisp images with the unforgettable quality of this stunning FHD display.¹

DVI

Easily connect with the convenient DVI port for stunning HD visuals through a high quality and reliable digital connection.²

TN panel

Enjoy the latest action movie or high-octane video game with the low pixel latency and snappy response times of this TN panel.

Off the desk and on the wall

The display is equipped with standard VESA mounting for showcasing on a wall or swivel arm.³

Seamless visuals

Videos and games come to life with less stutter or blur for more realistic play with smooth 5 milisecond gray-to-gray response time.

Reduce the reflection

The reflectiveness typical with glossy screen surfaces is appreciably reduced with the Low Haze screen enhancement, without losing clarity and contrast of screen imagery.

Choose your color

Personalize your PC with your choice of color, for style that matches you.⁴

Easy port access

Quickly connect to your screen with simple and easy access to all your ports for a more convenient experience.

Compact, sleek design

Get everything you need in one elegant package. Just one connection to the wall eliminates cable clutter. Slim design gives you more room for an enhanced computing experience.

Energy efficiency your way

Do the environment—and your wallet—a favor when you use the HP 22er 54.61 cm (21.5") Display. It meets strict energy-efficiency guidelines and helps reduce your carbon footprint.⁵
