

## HP Color LaserJet Managed MFP E87660 Series

### Outstanding 60-ppm Color Copier MFP

The HP Color LaserJet Managed MFP E87660 Series, chosen by Buyers Lab analysts as winner of a Summer 2018 Pick for Outstanding 60-ppm Color Copier MFP, offers...

- Exemplary reliability and easy-to-replace components that greatly minimize downtime
- Plentiful customization options; personalized scan workflows through the Quick Sets function, plus the ability to save an unlimited number of custom print job profiles from the driver
- Above-average memory, storage, and paper capacities that boost job processing and device uptime
- Support for 2017 Pick winner HP Web Jetadmin, along with a user-friendly web UI, provide multi-level device management to make administrative tasks simpler for IT staff

“HP’s Color LaserJet Managed MFP E87660 Series packages a plethora of mobile print options and remarkable usability into its significant offerings,” noted George Mikolay, Associate Director of Copiers/ Production at Keypoint Intelligence - Buyers Lab. “A lower-than-average upfront cost than competing models; a large, tablet-like control panel customized to users’ needs; and an embedded software platform for simple integration of various productivity- and efficiency-boosting solutions are just some of the many characteristics that solidified a spot for the LaserJet Managed Flow MFP E87660 Series among this summer’s Picks.”

“With a misfeed rate of 1 per every 150,000 impressions, it’s no question that the HP LaserJet Managed Flow MFP E87660z can handle the demands of high-volume print environments,” said Joe Ellerman, Manager of Lab Operations at Keypoint Intelligence - Buyers Lab. “Our technicians noted the exceptional image quality of the device in both print and copy modes, especially in black mode, so users can be confident in the visual appeal of their general office documents. The above-average capacity of the duplex single pass feeder, built-in hard keypad, and fast duplex scan speeds significantly enhance the unit’s scan productivity.”

## About **Keypoint Intelligence - Buyers Lab**

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled tools and unmatched depth of knowledge, we cut through the noise of data to offer clients the unbiased insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. Buyers Lab evolves in tandem with the ever-changing landscape of document imaging solutions, constantly updating our methods, expanding our offerings, and tracking cutting-edge developments.

## About **Buyers Lab Pick Awards**

Buyers Lab Picks stand alone in the industry as hard-earned awards based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
