

HP Notebook 14-ck0036nia

Slim, stylish, and reliable laptop for everyday tasks

Designed for long-lasting performance, this beautifully crafted laptop has an all-day battery that keeps you connected up to 12.5 hours.¹ Plus, its slim and sleek design makes it easy to take anywhere. Speed through tasks or sit back and socialize with the latest, powerful processors and a rich HD or FHD display.

Slim. Stylish. Portable.

Thin, sleek and more stylish – this eye-catching laptop is easy to take anywhere. With its beautiful brushed finish and seamless bar hinge, the smartly designed HP 35.6 cm (14") laptop looks as good as it performs.

Responsive and reliable performance

Rely on long-lasting performance and Intel processors⁴ for all your streaming, surfing, and multi-tasking needs.⁵ Plus, extensive quality testing ensures it keeps up with your active lifestyle.

Stay connected and entertained

Stay connected and entertained for up to 12.5 hours¹ with a battery with HP Fast charge, rich HD² or FHD³ display and HD camera on select models.⁶ Plus, easily store and enjoy your favorite music, movies and photos with ample storage options.

¹ Windows 10/ MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapco.com/products/mobilemark-2014/> for additional details.

² High-definition (HD) content required to view HD images.

³ Full high-definition (FHD) content required to view FHD images.

⁴ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations.

⁵ Internet service required and not included.

⁶ Features may require software or other 3rd party applications to provide the described functionality.

HP Notebook 14-ck0036nia

Featuring

HP Fast Charge

When your laptop is low on power, no one has time to wait hours to recharge. Power down your device and go from 0 to 50% charge in approximately 45 minutes.

SD and Micro SD card reader

Simply insert an SD or Micro SD card and increase your device's storage for more movies, photos, and music, or easily access any content you have stored on an existing card.

Tuned stereo speakers

Through rigorous testing and refinement, HP custom tunes the dual speaker setup in every notebook for exceptional stereo quality.

Choose your color

Personalize your PC with your choice of color, for style that matches yours.

¹⁹ Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the laptop, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Spectre 2-in-1 and HP x2 PC models. See <http://store.hp.com> for a full list of product features.

²² Colors may vary by region.
