HP Long Term Consumables

Sales Speech

- Help minimize downtime and keep your 3D Solution equipment at peak performance
- Be fully prepared to run for an extended period of time minimizing incidents due to worn-out consumable components
- Be sure you will always continue to produce high quality 3D parts increasing your uptime

Rules of Configuration

- Order a Long Term Consumable initial stock with each new HW purchase
- Recommended to keep always the full initial stock of Long Term Consumables on site
- Customer should perform periodic inventory checks on Long Term Consumables and re-order any single component consumed from the initial on site stock
