

HP 24m Display

Looks great. Performs even better.

Enjoy a big screen experience with this stylish HP display. Advanced IPS technology provides up to 178° ultra-wide viewing angles with consistent detail and vibrant color. This ultraslim, nearly borderless design with FHD¹ comes at a great value and gives you the connections you need to easily hook up your laptop or desktop.

More screen in less space

Enjoy more desk space than you thought possible with this ultraslim HP display. The attractive, micro-edge design adds stylish beauty to any environment.

Remarkable viewing experience

This FHD¹ display gives you IPS technology and ultra-wide viewing angles that combine to give you an amazing view up to 178°. Seeing is definitely believing.

Easy connectivity

Get the picture quality you're looking for without the need for additional dongles. Conveniently connect your devices with VGA and HDMI ports and enjoy a crisp, clear picture in FHD.¹

¹ Full high-definition (FHD) content required to view FHD images.
