

# HP 27m Display

Looks great. Performs even better.

Enjoy a big screen experience with this stylish HP display. Advanced IPS technology provides up to 178° ultra-wide viewing angles with consistent detail and vibrant color. This ultraslim, nearly borderless design with FHD<sup>1</sup> comes at a great value and gives you the connections you need to easily hook up your laptop or desktop.

### More screen in less space

Enjoy more desk space than you thought possible with this ultraslim HP display. The attractive, micro-edge design adds stylish beauty to any environment.

### Remarkable viewing experience

This FHD<sup>1</sup> display gives you IPS technology and ultra-wide viewing angles that combine to give you an amazing view up to 178°. Seeing is definitely believing.

### Easy connectivity

Get the picture quality you're looking for without the need for additional dongles. Conveniently connect your devices with VGA and HDMI ports and enjoy a crisp, clear picture in FHD.<sup>1</sup>

<sup>1</sup> Full high-definition (FHD) content required to view FHD images.
