

# HP Conferencing Keyboard

## Collaboration at your fingertips

Drive your Microsoft Lync 2013 or Skype for Business voice and video calls<sup>1</sup> directly from the HP Conferencing Keyboard and manage your calls, devices, and content with simple dedicated keys.

### **One-touch simplicity**

Get a full-sized, quiet USB keyboard with intuitive, dedicated, and illuminated keys for call functions and screen or video-sharing. LEDs cue when you're on mute, sharing your screen, or your video is off during video calls.<sup>1</sup>

### **Designed for your conferencing needs**

Conduct virtual meetings and calls with Microsoft Lync 2013 or Skype for Business.<sup>1</sup>

### **World-class support**

Get the reassurance of a one-year limited warranty.

<sup>1</sup> Internet connection and voice service required and sold separately.
