¹ In 2019, we tracked more than \$1.6 billion in sales wins (total contract value) in which sustainability criteria were a known consideration and were supported actively by HP's Sustainability and Compliance organization, an estimated 69% increase over the \$900+ million reported in 2018.

² Calculated as the percentage of primary plastic packaging (by weight) reduced per unit shipped. Excludes secondary and tertiary packaging components. Includes HP personal systems and printer hardware packaging. Does not include packaging for the following: Graphics Solutions Business (GSB) hardware other than PageWide XL and DesignJet printers; 3D printing hardware; print supplies; refurbished products; and accessories such as third-party options, drop in box, and aftermarket options.

³ In the U.S., HP has made a commitment to double the number of Black and American Americans in executive positions by 2025.
