

HP x2 210 G2 Detachable PC

Five versatile modes. One irresistible price.

Who has time for a device that just does one thing? When work demands flexibility, you need a mobile PC that can keep up. Designed to fit the way field sales force, small businesses, and mobile professionals work, the versatile HP x2 210 Detachable PC gives you five modes for the price of one.

HP recommends Windows 10 Pro for business

- Windows 10 Pro¹

An adaptable detachable.

- Go beyond notebook and tablet functions with write, share, and watch modes that are ideal for business professionals in the office, and in the field. Create content, view and share documents, finish proposals, work e-mails, and more.²

PC-like productivity.

- Maximize productivity in and out of the office with a detachable equipped with essential ports and a range of optional accessories including the HP Elite USB-C™ Dock.³

Easy to buy and maintain.

- Be confident with the HP x2 210's modern manageability features, business-class warranty, TPM security, and protection options from HP support and services.⁴

Affordable, tablet-first design.

- Get a cost-effective business 2-in-1 that combines dependable productivity with tablet-class thinness for the maximum mobility craved in sales and business environments.

Featuring

- Help protect from today's security threats and maximize management and productivity features for business with Windows 10 Pro.¹
- Get a true business laptop experience for that important presentation, proposal or project with a durable keyboard base and 135° reflex hinge.
- An Intel® Atom™ Quad-Core processor⁵ efficiently supports your business applications. Get the job done with up to 4 GB of memory and up to 128 GB of storage.
- Quickly charge your HP x2 210 with the fast charging battery that also provides you long battery life when you're on the road.
- Web conference⁶ with clients and colleagues with a HD front camera, and capture images with a 5MP rear camera..
- Wirelessly project HD content in a conference room or client site with or Miracast.⁷
- Create content, close deals, and finalize projects in the field with accessories³ that fit your needs.
- Proactively monitor and troubleshoot IT-related issues with HP Touchpoint Manager.⁸
- Optional HP Care Packs with Accidental Damage Protection help you avoid out-of-pocket repair or replacement costs and can deliver service right to your door.⁴

Product number: U9BA9E

HP x2 210 G2 Detachable PC

Messaging Footnotes

¹Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

²Includes Word Mobile, Excel Mobile, PowerPoint Mobile and OneNote.

³Sold separately or as an optional feature.

⁴HP Care Services are optional. Service levels and response times for HP Care Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

⁵Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

⁶Internet access required and sold separately.

⁷Intel® Wireless Display available on Intel® products only. Requires a separate Wireless Display receiver with a USB port and an HDTV or Monitor with HDMI input. High definition (HD) content is required to view high-definition images.

⁸HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see www.hp.com/touchpoint for availability information.

Technical Specifications Footnotes

¹Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

²Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

³For storage drive, GB = 1 billion bytes. Actual formatted capacity is less. Up to 6 GB (for Windows 10) is reserved for system recovery software.

⁴Wireless access point and internet service required and not included. Availability of public wireless access points limited.

⁵Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast>.

⁶Integrated Intel Wi-Di feature is available on select configurations only and requires separately purchased projector, TV or computer monitor with an integrated or external Wi-Di receiver. External Wi-Di receivers connect to the projector, TV or computer monitor via a standard HDMI cable, also sold separately.

⁷HD content required to view HD images.

⁸HP Touchpoint Manager supports Windows operating systems, and PCs, notebooks, tablets, and smartphones from various manufacturers. Not available in all countries. See www.hp.com/touchpoint for availability information. HP Touchpoint Manager requires purchase of a subscription.

⁹HP ePrint requires an internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/businessmobileprinting).

¹⁰HP Support Assistant: Internet access required.

¹¹External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.

¹²HP School Pack is sold separately or as an optional feature.

¹³Windows 10/MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.

¹⁴EPEAT® registered where applicable. EPEAT registration varies by country. See HP's 3rd party option store for solar energy accessory www.hp.com/go/options.
