

SOLUTION BRIEF

# HP Work From Home

Reinventing the office for today

## Remote work is here to stay

After a year of unprecedented change, large organizations have adapted to a new way of doing business. Now, with IT managers expecting to maintain a hybrid workforce for the foreseeable future, they're seeking new ways to support employee productivity at home.

HP Work From Home<sup>1</sup> is helping overcome the challenges of remote work. This comprehensive solution empowers your employees from wherever they are with the technology you can rely on to be successful, productive, and supportive for remote work environments. From essential hardware to crucial services,<sup>2</sup> HP has large organizations covered from the office to the comfort of home.

**52%**

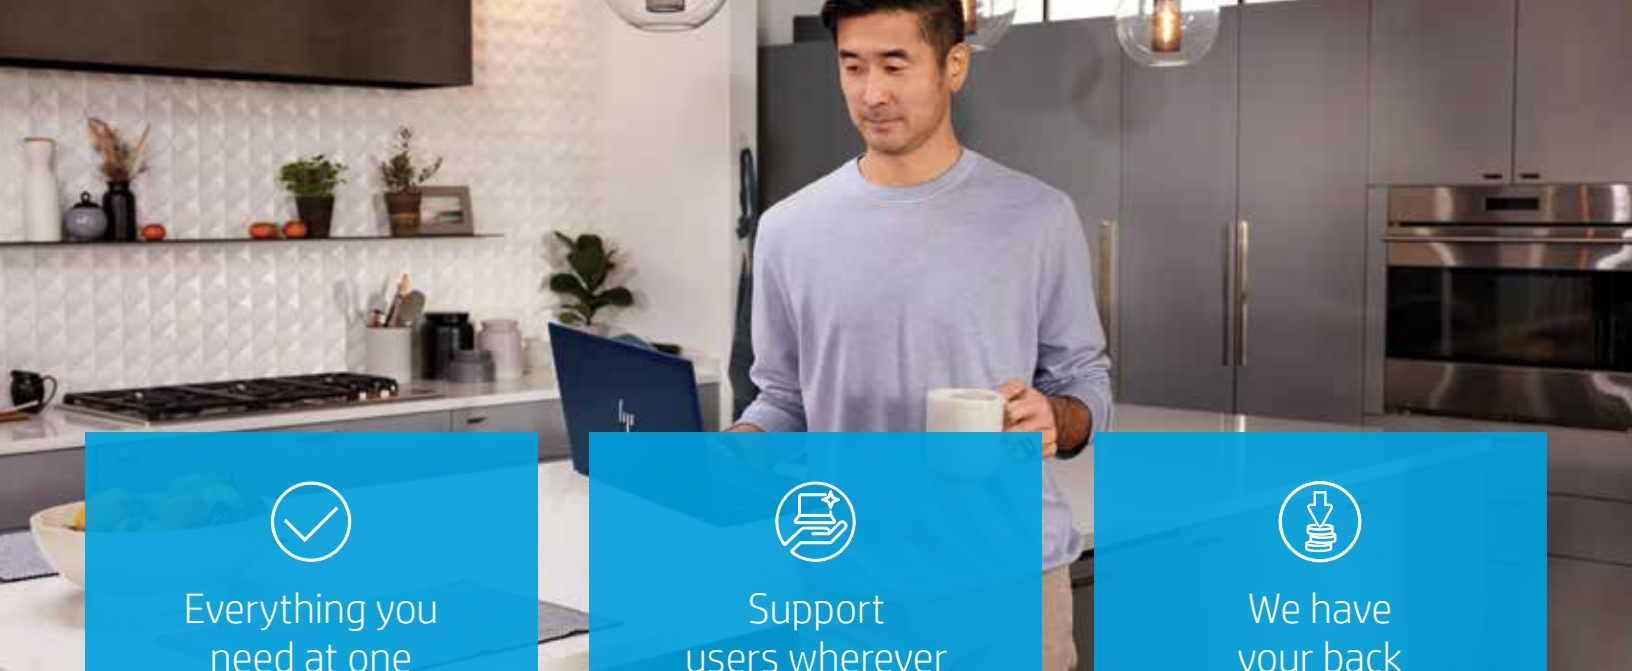

employees will work from home some or all the time<sup>3</sup>

**77%**

of employees prefer a hybrid work model (home and office)<sup>4</sup>

**61%**

of IT Leaders feel their company is not adequately prepared to prevent a data breach<sup>5</sup>

Everything you need at one predictable price

Support users wherever they are

We have your back

We deliver a complete solution<sup>6</sup> with the right devices, services, and supplies to your employees' doorstep. By combining the PC and print hardware and services into a predictable price per user, we can meet all your IT and remote workforce needs with the ease of delivering an exceptional experience – all through a single company.

Keep a pulse on your devices with insightful telemetry,<sup>7</sup> remote diagnostics, and next business day support<sup>8</sup> to minimize disruptions and achieve optimal uptime. Easily manage and support your remote employees through HP insights<sup>7</sup> so their sentiment, satisfaction, and productivity remain at top of mind, no matter where they are.

Help keep your data safe and stay secure with industry-leading, hardware-enforced protection built into select HP devices<sup>9</sup> – an always-on, always-acting defense for remote work environments across PCs and Printers so your employees are working securely and at their best.
