

HP Wireless Mouse X200

Goodbye wires. Hello comfort.

Stay productive wherever the day takes you without wires to tie you down. Designed for ultimate comfort, control, and consistency – this wireless mouse is the perfect companion for everything you need to do. With its contoured design, long-lasting battery, and precise tracking, you're ready to stay on top of your day.

Reliable 2.4GHz wireless connection

Work and play without lag or interruptions thanks to a reliable wireless connection.¹

Battery that lasts

This mouse is designed to keep up with you and your life with a battery that lasts up to 18 months.²

Adjustable DPI

Speed up or slow down tracking with adjustable DPI settings (800/1200/1600).

Precise optical sensor

Work where you want on a variety of surfaces, thanks to a precise optical sensor with great resolution.

¹ This product does not implement any encrypted communication over the wireless channel.

² Actual battery life will vary with use and environmental conditions, and will naturally decrease with time and usage.

HP Wireless Mouse X200

Featuring

Comfort comes first

Crafted to fit naturally and perfectly in the palm of your hand with a contoured design.

Low battery indicator

When your batteries are running low, you'll know – with a built-in indicator light.

Ambidextrous design

Whether you're right or left-handed, this mouse is designed to accommodate anyone.
