Introduction

HP Professional, Elite and Special Edition Series Carry Cases

The new line of HP Professional Series Cases provides the ideal blend of fashion and function. These cases feature a sleek, modern design that can be as bold or as understated as you want to make it. The HP Professional Series Cases are constructed from durable, high-quality materials designed to provide the utmost protection for a broad range of notebook form factors. And because these cases were created with convenience in mind, you'll find a wide variety of useful features both inside and out-from dual interior notebook slots and a quick access front pocket for easy storage and removal of small personal items, to an all-weather bottom and an accessory pouch for organizing your travel accessories such as USB hard drives, AC adapter, travel mouse, optical drive, headphones, and more. Fashion and function, style and substance-the HP Professional Series Cases have it all.

- **The HP Professional Series Topload Case** offers ample space for storing folders and other documents, and features storage areas for business cards, PDAs, cell phones, pens, an AC adapter and any additional items needed for a long stay away from the office or home. Designed for ultra-mobile professionals who are on the road frequently and for long periods of time. The HP Professional Series Topload Case is designed for notebooks with a 12.1 inch or 15.6 inch screen.
- **The HP Professional Series Backpack** provides an ideal solution with comfortable shoulder straps, an external slot for a cell phone or PDA, and a large storage space for a notebook and additional materials such as books or even a sweater. Designed for professionals or students who may commute frequently but not necessarily spend long periods of time on the road. The HP Professional Series Backpack is designed to accommodate notebooks with a 12.1 inch or 15.6 inch screen.
- **The HP Professional Series Messenger** features a more cosmopolitan look but represents itself well in a business environment

Overview

with elegant materials and a clean, professional design. An ideal choice for students, younger professionals or anyone with a commuting lifestyle. The HP Professional Series Messenger is designed to accommodate notebooks with a 12.1 inch or 15.6 inch screen.

- **The HP Professional Series Designer Tote** is large enough to carry a notebook, accessories and any necessary business materials without becoming cumbersome or losing its attractive appearance. Inside, the case is an exquisite blue color that makes it easy to quickly and effortlessly find essential items. Designed with professional women in mind, this truly fashionable case accommodates notebooks with a 12.1 inches or 15.6 inches screen.
- **The HP Professional Series Slip Case** is a larger slip case that offers sufficient room for an extended life battery, AC adapter and other peripherals, and features a shoulder strap and handles for enabling incremental storage over standard slip cases. The HP Professional Series Slip Case is designed for notebooks with up to a 15.6-inch screen.
- **The HP Professional Series Quick Case** is a lightweight case that can be used by itself or as a secondary solution to a notebook case. It has retractable handles for comfort, a shoulder strap and additional pockets for an AC adapter or travel mouse. The HP Professional Series Quick Case is designed for notebooks with 14.0-inch screens.
- **The HP Professional Series 10.1 Sleeve** is a great solution for HP Mini PCs. Easily carry and protect your mini-notebook while on the go or in between meetings. It is a perfect companion to help protect your HP Mini while carrying it in a larger case such as a backpack. The HP Professional Series 10.1 Sleeve is designed for notebooks with 10.1-inch screens.
- **HP Elite Series Designer Tote** is large enough to carry a notebook, accessories and any necessary business materials without becoming cumbersome or losing its attractive appearance. Outside, the case is constructed of durable leather for an elegant, fashionable appearance. Inside, the case is an exquisite aqua blue color that makes it easy to quickly and effortlessly find essential items. Designed with professional women in mind, this versatile case accommodates notebooks with a 12.1 inches or 15.6 inches screen.
- **The HP Merlot Slip Case** is light and durable and is designed to protect your notebook while traveling. Coordinates with the optional Merlot finish on your HP ProBook 4310s Notebook PC. The HP Merlot Slip Case can accommodate notebooks with screens up to 15.6 inches (39.62 cm).
- **The Compaq Topload Carrying Case** is light and durable and it incorporates high-density foam and cushioning to protect your notebook while traveling. The Compaq Topload Carrying Case can accommodate notebooks with screens up to 15.6 inches (39.62 cm).

HP Essential Carry Cases

HP offers a complete range of Essential Carrying Cases for your HP Business notebook - from value nylon cases to deluxe leather and roller cases. Secure your notebook inside your HP Carrying Case for easy portability and notebook protection.

- **The HP Basic Notebook Case** is light and durable and it incorporates high-density foam and cushioning to protect your notebook while traveling. The HP Basic Notebook Case can accommodate notebooks with screens up to 15.4 inches (39.12 cm).
- **The HP Basic Backpack** is great for both students and business professionals. It offers practical features including padded shoulder straps for maximum carrying comfort, a cell phone pocket and an MP3 pocket with a pass-through for headphones as well as a padded protective area to help protect your notebook. The HP Basic Backpack can accommodate notebooks with screens up to 15.4 inches (39.12 cm).
- **The HP Value Nylon Case** is lightweight, durable and ready to travel. Made of heavy-duty nylon, it features a notebook section with high density foam protection and an easy-access, full-zippered front pocket with storage compartments for power supply, cell phone and other business essentials. The HP Value Nylon Case is designed to accommodate notebooks with screens up to 15.4 inches (39.12 cm).
- **The HP Universal Nylon Case** is built to the highest standards of design and quality and incorporates high-density foam and cushioning to protect your notebook while traveling. Designed specifically for HP notebooks for optimal protection, it also features easy-access exterior front pockets for mobile accessories. The HP Universal Nylon Case is designed for notebooks with screens up to 17 inches (43.18 cm).
- **The HP Executive Leather Case** is designed for the traveling business person who wants style and function. The professional exterior is a perfection compliment to the functional interior. With storage areas for files, pockets for your mobile phone and accessories, everything is secure and easily accessible. The HP Executive Leather Case can accommodate notebooks with screens up to 17 inches (43.18 cm).

Overview

- **The HP Deluxe Nylon Backpack** is the perfect travel companion for students and business professionals. It features a sleek, professional design but still offers an abundance of practical features including padded shoulder straps and a top handle for maximum carrying comfort. The HP Deluxe Nylon Backpack accommodates notebooks with screens up to 17 inches (43.18 cm).
 - **The HP Deluxe Roller Case** is the ideal solution for those who travel frequently on business and like the convenience of a roller case rather than carrying their notebook and documentation over long distances in busy airports. The HP Deluxe Roller Case can accommodate notebooks with screens up to 17 inches (43.18 cm).
 - **The HP 2133 SlipCase** helps keep your Mini-Note PC looking new with the HP 2133 SlipCase. Designed specifically to fit the HP 2133 Mini-Note PC, the SlipCase accommodates notebooks with screens up to 8.9 inches (22.6 cm).
 - **The HP Ultralight Executive Case** is the perfect travel companion for business professionals. Featuring high-grade ballistic nylon, the non-scratch material inside helps protect your notebook when you are on the go. The HP Ultralight Executive Case can accommodate notebooks with screens up to 12.1 inches (10.73 cm).
 - **HP Basic Messenger Carrying Case** is great for both students and business professionals. It offers practical features including padded shoulder straps for maximum carrying comfort and a padded protective area to help protect your notebook. The HP Basic Messenger Carrying Case can accommodate notebooks with screens up to 17 inches (43.18 cm).
-

Key Benefits

- Range of cases
 - Fit a variety of HP business notebook sizes
 - Help protect your notebook from damage
-
