

## Executive Biography

### **Daniel Turner**

Vice President, HP Enterprise Security Services  
Hewlett-Packard Company

---

Daniel, 'Dan' Turner leads HP Enterprise Security Services. Turner works closely with some of the world's largest organizations in the Financial Services, Public, Communications, Media, Entertainment, Retail, Pharmaceutical, Logistics, and Manufacturing sectors.

Turner has senior-level experience in leading information security businesses in both turn-around and growth scenarios.

Turner joined the venture capital backed management team at Vistorm in October 2004, to focus on developing the value of its professional services and IP. He was responsible for defining the company's strategic roadmap, development of its services practice, and has been instrumental in developing the market-leading Information Assurance Platform and Secure Boardroom toolsets. Vistorm was acquired by EDS and subsequently HP in 2008.

Prior to joining Vistorm, Turner was at QinetiQ, where he successfully led its Information Security business. Before opting to have a career in the industry, he was a senior officer in the Royal Air Force where he served until 2001.
