

Executive Biography

Simon Leech

Pre-Sales Director, HP Enterprise Security
Hewlett-Packard Company

Simon Leech is a Certified Information Systems Security Professional (CISSP), Certified Information Security Manager (CISM), Certified in Risk and Information Systems Control (CRISC), and Pre-Sales Director EMEA for HP Enterprise Security.

Simon joined HP TippingPoint in 2007 after spending the previous 10 years in various positions at McAfee, gaining an in-depth knowledge of Intrusion Prevention Systems and security products in general. He has travelled extensively across Europe, the Middle East, and Africa (EMEA), and is a recognised and respected speaker at seminars across the region on many aspects of IT security.

Within HP TippingPoint, Simon is responsible for the day-to-day operations of the EMEA solution architect, consultancy, and training teams, and he provides invaluable guidance to the product development teams on how to address the EMEA market.

In 2012 Simon expanded this role to include the day to day management of the HP ArcSight and HP Fortify pre-sales teams, in addition to the continued management of the HP TippingPoint pre-sales team.

HP Enterprise Security is a leading provider of security and compliance solutions for the modern enterprise that wants to mitigate risk in their hybrid environment and defend against advanced threats.

Simon is a graduate of Royal Holloway, University of London and holds a BA (Hons) in German and Management Studies.
